Franklin High School Athletics
Season Passes and Reserved Seats

Franklin, Ohio: On Wednesday, August 19th, the Ohio Department of Health released a statewide order with respect to managing athletic events and capacity limits. Schools in Ohio will be restricted to 15% capacity based on all permanent seating in each facility. Unfortunately, due to these restrictions, we will not be able to sell reserved seats or season athletic passes. The administration of Franklin City Schools will be meeting with parents of student athletes over the next few days to go over district protocols and procedures for event tickets. We will release these guidelines and event protocols publicly once they are completed. ***Only one (1) parent representing each athlete needs to attend the meeting. Student athletes do not need to attend the meeting. We will practice social distancing and masks must be worn.***

Below are the times and locations for each meeting:
