

## **IMMEDIATE RELEASE**

September 19, 2023

### **Vehicle Accident**

At approximately 7:05 AM on Tuesday, September 19, 2023, a student was riding a bike across Fourth Street near Beam Drive when contact was made with a vehicle. Administrators were at the scene and immediately contacted emergency personnel, who were on site by 7:10 AM. The parent of the student on the bike arrived quickly and was able to ride along during medical transport. Upon transport, the student was alert and responsive to emergency personnel and is currently in stable condition.

We extend gratitude to the first responders and medical professionals who provided immediate assistance. We appreciate the patience of all the families and community members while we worked to address this situation.

Sincerely,
