

Have you heard about 4-H?

Did you know 4-H originated in Ohio?

Did you know 4-H is not just for farm kids?

Explore the possibilities of a project!

When: Saturday, February 13, 2016 Time: 9:00 a.m. - Noon

Where: Grandstands – Warren County Fairgrounds, Lebanon, OH

This is your chance to explore what 4-H has to offer at our third annual project clinic. With over a 100 projects, there is something for everyone. All your questions will be answered from one of our many volunteers and our Junior Fairboard Members.

What will be covered at the clinic? Project information - Equine, Swine, Dog, Food & Fashion, Cattle, Poultry, Llama/Alpaca, Goats/Sheep, Rabbits, and a variety of General Projects.

If the weather is questionable, please check out the Warren County 4-H Program Facebook page or the Channel 12 cancellations list. If you have questions, please call the Warren County Extension Office (513) 695-1311.
