

Schenck Parents/Guardians,

Recently, the Franklin City Schools became aware of a threat toward the school. In the process of investigating the threat, we have worked closely with Chief Colon and the Franklin Police Department, and followed their recommendations regarding the same. The student making the threat has not been to school since we first learned of the threat and is in the process of working through both school discipline and the legal system. We continue to monitor the situation and work to ensure the safety of our students and staff.

If you have any questions, please feel free to contact me.

Sincerely,

Debbie Kienle
