

Set Up Your Chromebook

To set up your Chromebook, follow these steps:

What You Need:

To set up your Chromebook, you'll need:

Your Google Account username and password:

Google username: _____

Google password: _____

1. Turn It On

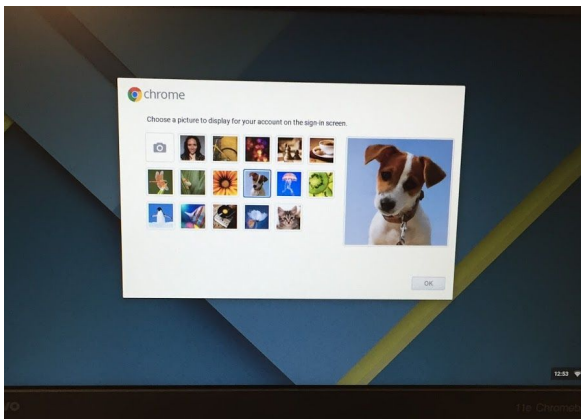

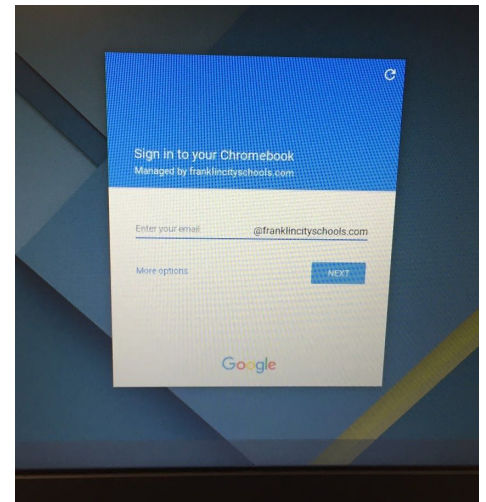

- Press the power Button

2. Follow the on-screen instructions

- Sign in with your Google Account. This account will be set as the owner.

3. Choose your profile picture.

- You can take a photo with the built-in webcam or choose an icon. You can always update later if you want to.

4. You're done!

- You're now on the web and signed in to the Google services you use. Your bookmarks, extensions, apps, and other browser settings from Chrome will appear automatically.

5. Access a different network outside of Franklin City Schools.

- Click on your Chrome profile (lower right corner)

- Click on the wi-fi symbol  (the device in the photo is Connected Franklin Chromebook)

to

- Select your available network and enter password information (if appropriate at your home or other public place)
