Dear Parent/Guardian,

As a student in our district that has been identified as an English Learner, your child receives effective English instruction from a certified teacher. Your child also qualifies for additional support that we offer to help improve his/her English skills through supplemental reading support under Title I, Part A. Title I is one of several programs under the Every Student Succeeds Act (ESSA) of 2015. Your student may receive this extra English instruction in a small group setting

If you have any questions or concerns, please contact the building principal.

Kind Regards,  
Robyn A. Donisi  
Assistant Superintendent
