

Dear Parent/Guardian,

As a parent of a student receiving extra support in reading through Title 1, Part A, you are entitled to information on Franklin's evidence-based supports used to increase student achievement in reading. Please see the list below. If you have any questions, please do not hesitate to contact me.

High Quality Instructional Materials (HQIM)

K-5 - The 2024-25 school year was the first of a 6-year adoption of Amplify CKLA. The Ohio Department of Education and Workforce lists this resource on the approved core literacy curriculum aligned to the science of reading.

Evidence-Based Reading Intervention

Franklin City Schools uses several evidence-based reading interventions depending on the specific instructional need of the student. All of the resources below are on the Ohio Department of Education and Workforce list of approved evidence-based interventions.

- [Comprehensive Orton-Gillingham Plus](#) (2022) Institute for Multisensory Education
- [Morphology Plus](#) (2022) Institute for Multisensory Education
- [IXL Language Arts](#) (2024) IXL Learning
- [Exact Path](#) (2023) Edmentum
- [Sonday System 1, 12th Edition and Sonday System 2, 13th Edition](#) Imagine Learning

Kind Regards,
Robyn A. Donisi
Assistant Superintendent
